physical training in the us army has a surprisingly short history
bodies for battle by garrett gatzemeyer is the first in depth analysis of the us army s particular set of practices and values known as its physical culture that emerged in the late nineteenth century in response to tactical challenges and widespread anxieties over diminishing masculinity the us army s physical culture assumed a unity of mind and body learning a physical act was not just physical but also mental and social physical training and exercise could therefore develop the whole individual even societies
bodies for battle is a study of how the us army developed modern scientific training methods in response to concerns about entering a competitive imperial world where embodied nations battled for survival in a social darwinist framework

this book connects social and cultural worries about american masculinity and manliness with military developments strategic tactical technological in the early twentieth century and it links trends in the united states and the us army with larger trans atlantic trends bodies for battle presents new perspectives on us civil military relations army officers unease with citizen armies and the implications of compulsory military service gatzemeyer offers a deeply informed historical understanding of physical training practices in the us army the reasons why soldiers exercise the way they do and the influence of physical culture s evolution on present day reform efforts between the 1880s and the 1950s the army s set of practices and values matured through interactions between combat experience developments in the field of physical education institutional outsiders application beyond the military and popular culture a persistent tension between discipline and group averages on one hand and maximizing the individual warrior s abilities on the other manifested early and continues to this day bodies for battle also builds on earlier studies on sport in the us military by highlighting historical divergences between athletics and disciplinary and combat readiness impulses additionally bodies for battle analyzes applications of the army s physical culture to wider society in an effort to prehabilitate citizens for service

discover the new unputdownable psychological thriller from the no 1 bestseller an absolute page turner shari lapena a twisty thriller full of clever misdirection claire douglas a fresh start a safe neighbourhood or is it you ve moved back to your hometown into a luxury gated community that s designed to keep intruders out you think your family is safe but you couldn t be more wrong your nine year old son says there s a man living in the attic you keep hearing noises up there when you re all alone but when you check the loft space is empty and then your daughter shows you something on her phone a video of a man walking around inside your house while no one is home and you start to panic why would a stranger target you unless they re not a stranger at all don t miss andrea mara s unputdownable new novel such a nice girl available to pre order now everyone is talking about someone in the attic i enjoyed every page elly griffiths heart thumpingly tense sun someone in the attic twists thrills and chills i loved it chris whittaker this book is so good louise o neill the queen of cliffhangers john marris i couldn t put it down fiona cummins addictive good housekeeping full of twists and surprises jane casey this is her best book yet reader review the most gripping and thrilling book i ve read in a long time reader review my favourite of andrea s so far reader review wow what a book reader review what a read reader review bloody hell reader review just amazing reader review
