beginning in the 1950s edwin wolf 2nd embarked on a bibliol quest to reconstruct the library of benjamin franklin which was the largest best private library in amer at the time of his death was subsequently dispersed the contents of franklin s library were virtually unknown until wolf identified the unique shelfmarks that franklin used to organize his books that discovery allowed wolf to locate 2 700 titles in 1 000 vols that franklin actually owned wolf also identified a further 700 titles owned by franklin after wolf s death kevin hayes took up the project brought it to fruition this catalogue includes almost 4 000 books known to have been owned by franklin the intro tells the complete story of franklin s library its dispersal its reconstruction

this volume attempts to throw fresh light on two areas of benjamin franklin s intellectual world namely his self fashioning and his political thought it is an odd thing that for all of franklin s voluminous writings a fantastically well documented correspondence over many years scientific treatises that made his name amongst the brightest minds of europe newspaper articles satires and of course his signature on the declaration of independence and the u s constitution and yet scholars debate how to get at his political thought indeed if he had any political philosophy at all it could be argued that he is perhaps the american founder most closely associated with the enlightenment similarly for a man who left so much evidence about his life as a printer bookseller postmaster inventor diplomat politician scientist among other professions one who wrote an autobiography that has become a piece of american national literature and indeed a contribution to world culture the question of who ben franklin continues to engage scholars and those who read about his life his identity seems so stable that we associate it with certain virtues that apply to the way we live our lives time management for example the image of the stable figure of franklin is applied to create a sense of trust in everything from financial institutions to plumbers his constant drive to improve and fashion himself reveal however a man whose identity was not static and fixed but was focused on growth on bettering his understanding of himself and the world he lived in and attempted to influence and improve

the autobiography of benjamin franklin details the life of this famous founding father inventor philosopher satirist political theorist statesman and diplomat franklin s irreverent yet intelligent and pure intentioned thoughts on life shaped the idea of what it means to be both a free thinker and a united states citizen follow the accomplishments of this influential man in his own words and discover a life well spent

the american statesman philosopher and scientist records his life career and philosophy and offers satirical letters about boston society in 1722 and an account of his return to philadelphia from london in 1726

the autobiography of benjamin franklin is the traditional name for the unfinished record of his own life written by benjamin franklin from 1771 to 1790 however franklin himself appears to have called the work his memoirs although it had a tortuous publication history after franklin s death this work has become one of the most famous and influential examples of an autobiography ever written franklin s account of his life is divided into four parts reflecting the different periods at which he wrote them there are actual breaks in the narrative between the first three parts but part three s narrative continues into part four without an authorial break only an editorial one reactions to the work franklin s autobiography has received widespread praise both for its historical value as a record of an important early american and for its literary style it is often considered the first american book to be taken seriously by europeans as literature william dean howells in 1905 asserted that franklin s is one of the greatest autobiographies in literature and towers over other autobiographies as franklin towered over other men however mark twain s essay the late benjamin franklin 1870 provides a less exalted reaction albeit somewhat tongue in cheek for example claiming that his example had brought affliction to millions of boys since whose fathers had read franklin s pernicious biography d h lawrence wrote a notable invective against middle sized sturdy snuff coloured doctor franklin in 1923 finding considerable fault with franklin s attempt at crafting precepts of virtue and at perfecting himself nevertheless responses to the autobiography have generally been more positive than twain s or lawrence s with most readers recognizing it as a classic of literature and relating to the narrative voice of the author in this work franklin s persona comes alive and presents a man whose greatness does not keep him from being down to earth and approachable who faces up to mistakes and blunders errata he has committed in life and who presents personal success as something within the reach of anyone willing to work hard enough for it

this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

here is the story of ben franklin s first invention his journey through the scientific method and the surprising successes that result when you re willing to make mistakes every inventor has to start somewhere and one of the greatest innovators in our history was no exception ben franklin developed his first invention while doing what he loved best swimming barb rosenstock s rhythmic whimsical style is the perfect complement to s d schindler s pen and ink and watercolor illustrations together they recreate history in an engaging and unique way both author and illustrator worked closely with franklin experts and the book includes franklin quotes an extensive author s note timeline and bibliography
