this book presents readers with scholarship on public celebrations and popular culture throughout mexican history leading scholars from the americas and great britain discuss aspects of mexico s popular culture from the seventeenth century to the present the vast range of mexican expression is examined including corpus christi celebrations new spain stone murals and folk theater filling a need that becomes ever more pressing this volume provides fresh insights

this historical monograph examines the decline of the hacienda estates within jalisco mexico during the early decades of the twentieth century the book also explores the impact of the land reform program of president lázaro cárdenas in transforming the agrarian economic structure of the region this study contributes to an ongoing lively debate about the hacienda system and the meaning of cárdenas s reforms this is an important work because it explores the evolution of a regional socioeconomic system that promoted urban industrial growth at the expense of the rural poor the model of regional development described is applicable to other areas of mexico and underdeveloped third world nations with extensive peasant populations the research for this investigation has wider implications regarding issues of global hunger and malnutrition

cuban international relations at 60 brings together the perspectives of leading experts and the personal accounts of two ambassadors to examine cuba s global engagement and foreign policy since january 1959 by focusing on the island s key international relationships and issues thisbook s first section focuseson havana s complex relationship with washington and its second section concentrates on cuba s other key relationships with consideration also

being given to cuba s external trade and investment sectors and the possibility of the island becoming a future petro power throughout this study due attention is given to the role of history and cuban nationalism in the formation of the island s unique foreign policy this book s examination and reflection on cuba as an actor on the international arena for the 60 years of the revolutionary period highlights the multifaceted and complex reasons for the island s global engagement it concludes that cuba s global presence since january 1959 has been remarkable for a caribbean island is unparalleled and is likely to continue for the foreseeable future scholars of international relations latin american studies and political science n will find this book particularly interesting

yet many latin americanists believe that the popularity of this controversial figure has clouded understanding of mexico s history this sweeping and detailed study debunks many of the established interpretations of cardenismo and sheds new light on the historical process that created mexico s postrevolutionary political culture
